

TEXAS REHABILITATION HOSPITAL BRAIN INJURY CAREGIVERS' SUPPORT GROUP

Texas Rehab is proud to host the Brain Injury Caregivers' Support Group!

Do you have a loved one that has survived a brain injury?

Are you looking for more resources in the community?

Join us for our caregivers' support group and find what you are looking for!

The group meets once a quarter in the cafeteria of Texas Rehab Hospital at 4:00pm. Each meeting will be hosted by a different discipline and focus on different aspects of caring for someone with a brain injury.

Topics include:

- Community resources
- Alternate funding
- Functional considerations
- Home modifications/recommendations
- Behavioral impairments
- Cognitive impairments
- Medical complications
- Medication management

All are welcome!
